Not Receiving Court Papers

Dear Clerk:

Please be advised that I am not receiving pleadings and orders from the Court in the above referenced case.

There has apparently been filed, at a minimum, Orders dated April 17, 2008 and April 24, 2008 from Judge Huff which I have not received as of today's date. I have in fact not received any filings from this Court despite the fact that there have been Proof of Service or Certificate of Mailing papers filed with these Orders.

Please check your internal mail system and see if these papers have been properly deposited or if there has been a break down somewhere. It is possible to have one of these Orders lost in the mail, but not two within a 7-day time span.

If possible please email me a copy of these filings as soon as possible at the email address below so I can properly prepare my case.

I would also like to formally request permission to be allowed access to the Court's Electronic Case Filing system, so I can view filed papers as soon as possible.

Thank you.
